

Saddle cable tie mounts

Applications: Perfect for securing cable ties to a flat surface using the screw mount to make sure the base is fastened firmly. Saddle shaped design makes the cable fixing be more easier.

Usage:First, mount the saddle with screws, and then use cable ties to tie cables or wires.

Color: Black, White

Material: Nylon 66

Working temperature: -40 °C to 80 °C

Model	H	L	W	T	B
STM-0-B STM-0-W	5.0 mm	19 mm	9.5 mm	5.0 mm	3.4 mm
